- V. A. II. Justification of the War -- Public Statements, Volume II (D. Johnson Administration)

copies of documents are not precise enough to positively identify particular volume of the Task Force Study, or as being any of the RAND Santa Monica. However, it is believed that one document going to the Study of Military Pressures Against North Vietnam is to the so-called "Simmons Notebooks" or the "Black Notebooks" on the New York Times Chart of Published Articles as "Black").
